Too often, people want to help, but fear saying the wrong thing, making the situation worse, or not knowing where to turn.

FDV First Aid bridges the gap between concern and action by equipping you with clear skills to respond in ways that prioritise safety, dignity and wellbeing of for those impacted by FDV.

S A F E **APPROACH**

Delivered by Zonta House FDV Training, the course draws on over four decades of specialist experience supporting victim-survivors impacted by family and domestic violence.

FDV First Aid is delivered as part of Zonta House's Empowerment Through Education program, proudly funded by Chevron Australia.
